4 Reading

A Read the text about Angie below.

I am very lucky because I enjoy my work very much. I'm a fitness instructor at a gym near where I live. I teach six aerobics classes a week and I also go to different schools in the area to teach young people about health and nutrition. As they say, 'you are what you eat'.

To be honest, I worry about the diet that many people have today. So many people are overweight. And why? Because they eat the wrong foods and they don't do any exercise. When you work in an office or sit in a classroom all day, I know it is difficult to find time to keep fit, but you only need to do 20 minutes a day!

It's also very important to have a balanced diet, starting with breakfast in the morning. It's not a good idea to miss breakfast although many of us just have a cup of tea or coffee. Eat as much fresh food as possible – lots of fruit and vegetables – and try not to eat too much fried food. When you don't have much time, it's easy to get a take-away, but it certainly isn't very good for you!

One reason that a lot of people feel less than 100% fit is that they don't drink enough water. You need to drink two litres a day – and water means water, not tea, coffee or fizzy drinks.

Finally, keeping fit is fun. A lot of people think it's boring to go jogging or cycling. They want to enjoy their food. Well, of course you can enjoy your food. It's fine to have cakes and ice cream, but not every day!

B Mark the statements *T* (true) or *F* (false).

- 1 Angie has two jobs.
- 2 She teaches six classes a day.
- 3 She teaches aerobics in different schools.
- 4 She travels around the country.
- 5 A lot of people are too fat.
- 6 It's important to do a little exercise every day.
- 7 Tea or coffee is enough for breakfast.
- 8 Take-aways are not a good idea.
- 9 It's good to drink water.
- 10 You can eat cakes as often as you want.

7 Writing

You have just received this email from your penfriend. Read it carefully.

Dear Margaret,

How are you? I hope you are well. I'm very happy because we're on holiday now and we don't have any homework, but I'm busy at home because my mother is sick so I am helping her in the house. Every day I do the shopping. I go to the local market and buy fresh fruit and vegetables. My mother does the cooking because I'm a bad cook. On Saturdays I do the washing and the ironing. I hate it! My younger sister does the washing-up after every meal because I do everything else. My brother tidies his room once a week but only because our mother gets angry with him. What does my father do? - Nothing!! My mother wants him to clean the windows but he always finds something more interesting to do!!

So, you see, it's not exactly a fantastic holiday, but it's better than school. Write back soon and tell me what you're doing.

Love

Julia
